- Treasurer's Report:
 1. Current balance is \$11650, which is under budget by \$650.
 2. There has been a low turn out for the membership drive. Suggestion was made to put a reminder in the Bridlepath Newsletter for parents to submit their dues payment in order to receive the school directory
- Thank you to everyone who participated in the Spooktackular. It was a big success.
- Thank you to all who made the pancake breakfast a success. This is a super fun event; however turnout was low this year, potentially due to the long weekend. Suggestion was to move the timing of the event to January or February next school year.
