In preparation for the next school year, the Bridle Path Home and School Association (BPHSA) is updating our database. BPHSA maintains a database of information, which is used to create the **Bridle Path School Directory**. Email addresses are used for e-mail communication including the weekly Pathfinder, event e-blasts, Homeroom Parent needs and other school-wide correspondence. We will continue to publish email addresses in the directory, but only if you designate for it to be in the directory. And, please note that cell phone numbers will not be included unless you designate for that to be published in the school directory however, they can be used for contacting you in regard to volunteering or Homeroom Parent needs.
